Dear Fellow Toastmasters and Guests,

Speech contests are an important part of the Toastmasters International educational program. Speech contests provide an opportunity for proficient speakers to gain contest experience, and they provide interesting educational programs for members and the public. They also allow those Toastmasters who are not participating in the contest to learn by observing proficient speakers.

The contests are organized twice a year (spring and autumn). The spring contests offer the Speech Contest and Evaluation Contest, whereas the autumn contests consist of Humorous Speech Contest and Table Topics Speech Contest. The winners of the contests represent the Area at the Division conferences with contests.

Queen's Town Toastmasters Club is honored to organize Area D2 Contests in humorous speeches and table topics, and is pleased to invite you to this special Toastmasters' event.
